AN APOLOGY.

THE PROSECUTION OF THE OPIUM FARMER.

BEG to express through your columns my deep regret that I should in a hasty moment, in consequence of my not being able to read or understand Chinese accounts, have commenced a presecution against Mr. KOH OHENG SEAN, the chief manager of the late Opium Farm, with reference to the funds of the CHEANG TEK KONG SEE. A COM- A plete investigation into the matter and a careful examination of the books and accounts have thoroughly convinced me that my suspicions were wholly groundless, JOHN BUTTERY, Esq., Messrs John Buttery and that there has been nothing whatever in Mr. KOH CHENG SEAN'S manof the business of the OPIUM FARM that is in any way reprehensible; and further, that he has all along been doing his best, honestly and faithfully, for the benefit of the CHEANG TEK

KONG SEE. this letter in your correspondence column for the presentation of the Report of the case, and afterwards as an advertisement for the period of one month, as I am anxious to undo as far as possible any injury I may have, through my hasty and unjustifiable action, inflicted upon Mr. KOH CHENG SEAN.

Yours truly, OH TEK LEONG. Hongkong, March 22, 1892.

The Chairman said - Gentlemen, the report and accounts which have been in your hands for some time you will no doubt accept as read. I regret that our anticipations of a very satisfactory result of the year's operations have been disappointed, and that we have only such a small final dividend to declare and small amount to write off fer depreciation. On reference to the accounts you will at once see that this arises from the misfortunes to the Company's shipping which include the less of the Marquitta and unprofitable voyages. made by the William Le Lacheur and by the Members of Council. Post and Present Dorothy, and from delays and other casualties caused by the very bad weather in Manila lest summer. On this year's accounts will full the loss on the present unfortunate voyage of the Penshaw from Hougay to this, and on the sale of the Dorothu, which vessel has been sold as the - estimates of the cost of putting her into thorough good order again appeared to be greater than her value to the Company then would be. We are finding great difficulty in covering insurance on the Company's ships, and it is probable that we shall have to provide our insurance as well as depreciation fund. You will notice that there is a slight increase in the profit of the timber business done by the Company, and this I think must be considered satisfactory, considering the depressed state of business of late, and I am pleased to inform you that we have been doing well since the commencement of the present your; our stocks are being materially reduced, and we are meeting with good demand for our produce, and the Saw Mill at Luguimance has contracts in hand which will keep it employed for some months to come. The properties of the Company have all been kept in good order and repair. I shall be very glad to suswer any questions that may be put.
